Design creates culture.
Culture shapes values.
Values determine the future

— Robert L. Peters

ABOUT US

Welcome to CoolWood Interior Decoration LLC, a new age interior design company based in Dubai. We are a team of highly-skilled specialists and interior space decor professionals in the commercial, retail, healthcare and hospitality segments.

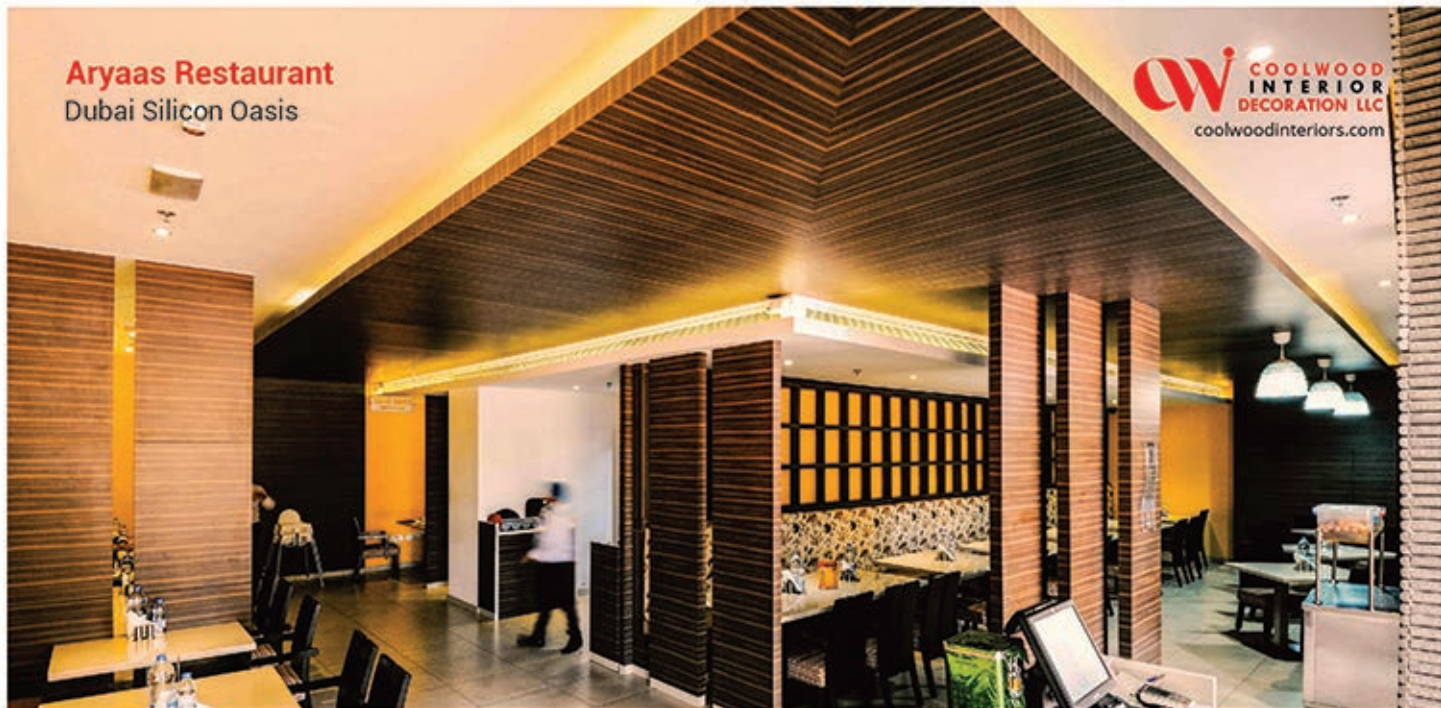

CoolWood Interior Decoration was established by a team of multinational professionals with in depth domain expertise and decades of experience in the fit out and interior designing industry in Dubai. The hands-on experience in handling state- of-the-art projects in the Middle East has refined us to take on any challenges and over the years CoolWood has carved a niche position in the fit-out & interior market.

OUR TEAM

Our experienced team of Architects & Interior designers is well-versed and highly skilled in building Residential Interiors as well as Commercial Interiors to transform them as truly inspiring and beautiful spaces. Our team designs interiors creating innovative environments for a wide variety of clientele. We constitute special teams for every project who has all the requisite skill sets, knowledge and experience to provide all the gamut of designing and interior fit-out works.

SERVICES

CoolWood brings to you fit-out and interior solutions at affordable rates. Our team of professionals works in close association with our clientele by understanding the views and tastes and delivers the best! As our operations are based in Dubai, one of the major business centres in the world occupied by highly skilled professionals from across the globe we stand a cut above others in competition. This helps us to scale up the productivity by increasing the team size on short notice and also the expertise to offer a range of complementary skills.

We provide turn-key solutions and packages ranging from design to fit-out. We also offer specially designed packages to assist the organizations to complete the interior work even on shortest possible timelines & assisting in refurbishing workspaces as per the likes and tastes of the clientele.
