

ARKI GROUP

ABOUT ARKI

WHO WE ARE

ARKI Group Design was established in 1996 with a vision to continuously precede the ever-changing market and industry trends. This has led the group to grow dramatically and become recognized as one of the most prestigious fit-out companies in both the UAE and the GCC.

OUR MISSION

ARKI Group will capitalize its two decades of experience, achievements, and resources in each of its specialized companies, to set the benchmark of solutions and product development for interiors in the Middle East based on innovative technologies.

OUR VISION

ARKI Group will lead the Middle East with innovative high-quality solutions in interior space design, Fit Out and multifunctional furniture.

OUR STORY

ARKI Group is a story of team work, reliability and innovation, inspired by geese. Geese are experts at teamwork, flying in a V shape to optimize potential. As each bird flaps its wings, it creates uplift for the bird immediately following. By flying in a V formation, the whole flock adds at least 70% greater flying range than if each bird flew on its own. Quite similar to people who are part of a team and share a common direction get where they are going quicker and easier, because they are traveling on the trust of one another and lift each other up along the way. Whenever a goose falls

Our Culture

Throughout our history, we have celebrated diversity and encouraged initiative. We believe that excellence thrives in a workforce that includes employees with a wide range of life experiences and a supportive culture that lets great ideas rise to the top.

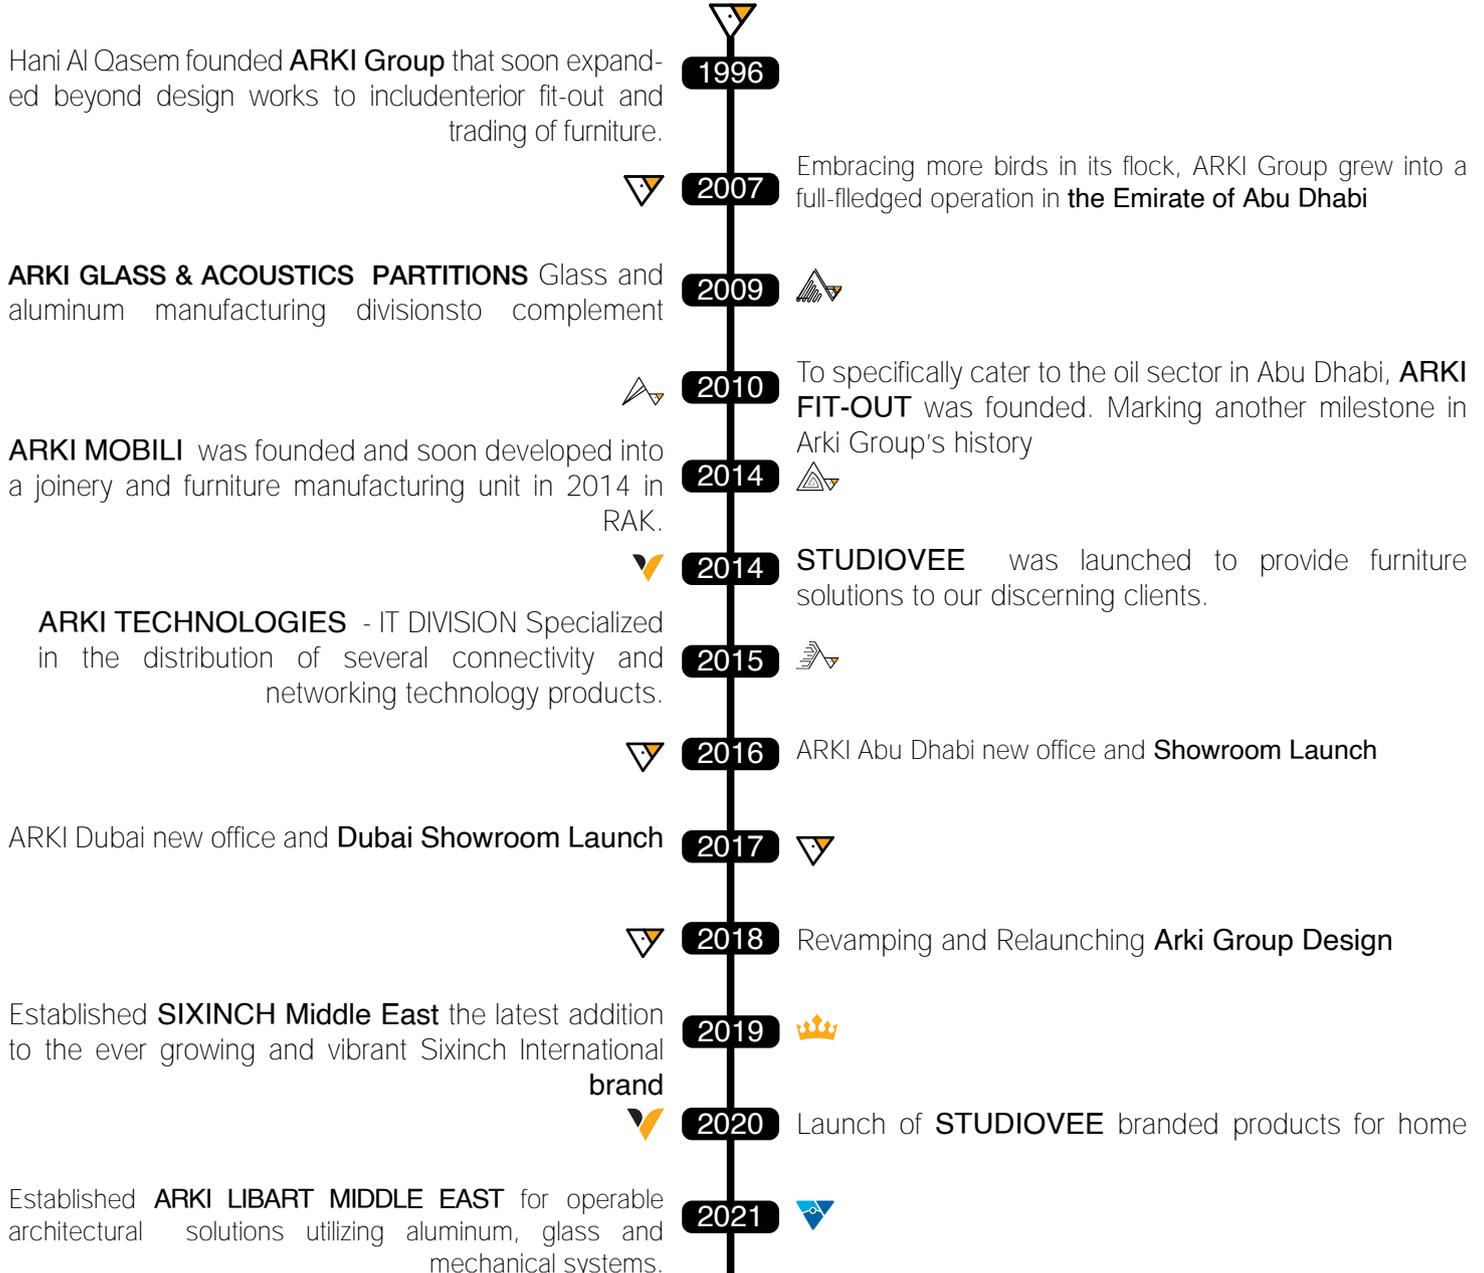

With a workforce that mirrors the demographics of those we serve, we offer products and services that meet people's tastes and exceed their expectations. Our greatest asset is our staff; and as such, we have adopted an open door policy that has encouraged people to shoulder responsibilities and attain leadership roles.

MILESTONES THAT MARKED OUR JOURNEY

ARKE Group comprises a flock of companies that share an unflagging commitment to excellence by offering customers an array of the finest products and services.

OUR ACCREDITATIONS AND AWARDS

ARKI Group has an ISO 9001:2008 accredited Quality and Management System with full Health and Safety policies and procedures in place. We have an in-house team of professionals with vast experienced technical experts and skilled site workers which enable us to carry out the construction of the fit-out jobs on hand as well as prospective works. Members of our design team are LEED and ESTIDAMA certified professionals.

OUR DIVISIONS

Sixinch combines innovative materials with unique designs to manufacture products that are superior in creativity, design, flexibility and adaptability. Sixinch specializes in the design and manufacturing of foam coated furniture. Sixinch products are very well accepted in the market for being flexible, waterproof, seamless, hygienic and innovative designs and to top it all its an all-weather proof product.

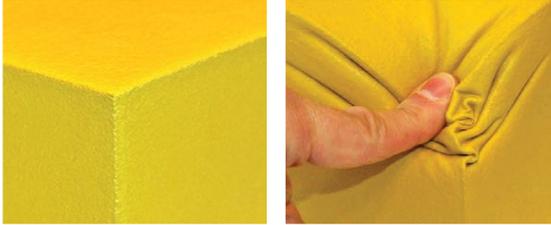

www.sixinchme.com

01

SoftFlex ®

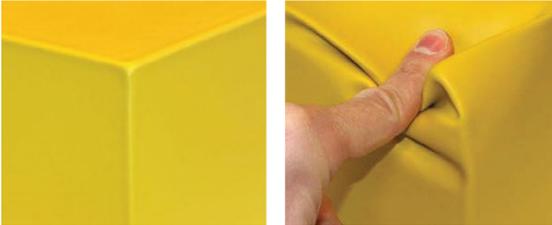

Soft Flex is colored into the mass with a UV stable pigment, 3 – 6 layers build up, only for indoor usage, medium strong , surface always bumpy due to the product.

02

FlexPlus ®

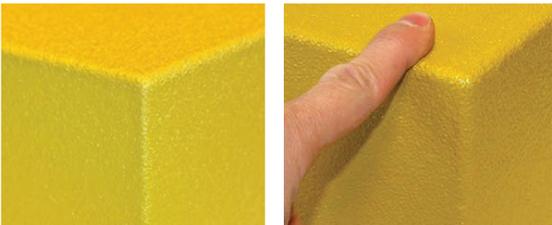

Flex Plus is an advanced 3 layer coating system, with an elastic PU, the endlack has a special soft touch feeling, also here a UV stable pigment, very strong, indoor / outdoor usage, smooth surface.

03

HardCoat ®

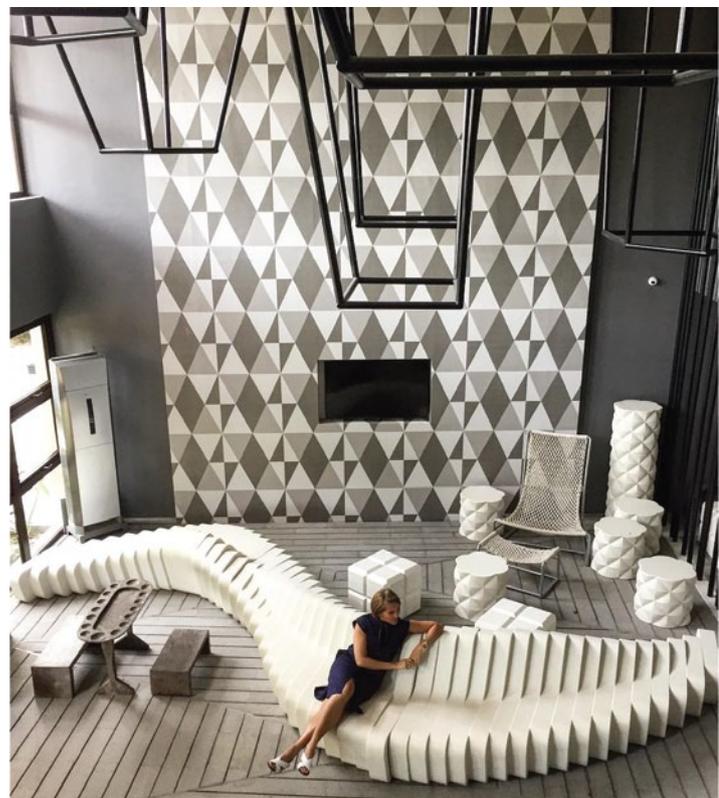

Based onto the same technique as the Flex Plus, but with different chemicals it provides a solid hard topcoat to be compared as polyester. Indoor / outdoor usage, also with a UV stable end lack, slightly bumpy surface, extreme strong.
