As you have seen the opening of our new look Ibn Battuta shop was well received both by customers and by our Senior Management.

On behalf of RT, I would like to thank you for all the special effort that has been put in, especially from your Site Manager, Krishna. Without his extraordinary effort and willingness to go the extra mile, the completion of this shop, under the tight timelines he has had to cope with, opening on time would not have been possible. It is a credit to your company and to him personally.

Congratulations to KCLLC for a superb job!
